

TUCSON INTERNATIONAL MODEL PLEX PARK

The freeway on/off ramps at Ina Rd and Cortaro Rd, where many have booked hotels, are OPEN.

Off and On ramps on I-10 between Prince Rd. (north of Tucson) and 29th St. (south of Tucson) are closed due to construction. In otherwords, no getting on or off the freeway through the main part of Tucson. This also includes the exits at Speedway.

The frontage road between Prince and 29th is a good option for those navigating into central Tucson. 3 lanes wide each direction and with full access to all major cross streets.
